Hi John:

This week, I generally worked from 0630 to 1500 with a 30 minutes lunch break.

I worked 3 credit hours on Monday (11/02) to work on Edwards AFB Arroyos Dispute and to attend a PV Shelf MSRP monthly check in call.

As a reminder, I am taking 3 credit hours off today starting at 11:30 due to excess credit hours accumulated.

Highlights:

Edward AFB:

- Continued to work on Arroyos ROD Dispute meeting coordination
- Researched and drafted RA briefing paper for Monday, November 9<sup>th</sup> SEC meeting #2.
- Drafted SEC meeting #2 agenda.
- Attended internal dispute coordination meetings
- Coordinated with AF, DTSC, and WB RPMs to develop dispute settlement language for EPA Dispute Issue #7 (TI waiver).
- Reviewed and provided comments on AF propose dispute settlement language for EPA Dispute Issue #6 (Soil Pathway reference removal).

Palos Verdes Shelf:

- Continued to address public concerns related to Montrose Ocean disposal
- Attended MSRP monthly coordination call
- Researched and provided data for Congressional briefings
- Initiated 3 grant no cost time extensions in IGMS (LA CDPH enforcement/market inspection, LACDPH Toxics, and CDFW PVSTIEG).

In addition, I've also completed my mandatory 3-Tier PARS and ethics trainings.
